Dear Mr. Saunders:

RE: Declaration of Exemption, Delores # 5 Claim, Placer
Operation, DOE/019/034, Grand County, Utah

The Division is in receipt of your Declaration of Exemption (DOE) MR-4 application form for the above referenced claim. When in the area, Division staff will inspect your activity.

Please notify the Division of any change in the status of your operation. Should you plan to increase your activities beyond the two (2) acre/500 ton limitation, please notify the Division at least six (6) months prior to the proposed expansion so that adequate time can be allowed for processing your permit application and mining and reclamation plan.

Thank you for your cooperation in this permitting matter. Should you have any questions or require additional information, please feel free to contact Dave Wham of my staff, or me.

Sincerely,

L. P. Braxton
